- (2) The purpose is to be achieved by providing for the elimination or reduction of risks and threats to the environment and public health, safety and amenity resulting from—
  - (a) inadequate protection against animal and plant pests; and
  - (b) vegetation overgrowth; and
  - (c) visual pollution resulting from accumulation of objects and materials; and
  - (d) fires and fire hazards not regulated by State law; and
  - (e) community annoyance and safety hazards; and
  - (f) noise that exceeds noise standards.

### 3 Definitions—the dictionary

The dictionary in the schedule defines particular words used in this local law.

### 4 Relationship with other laws<sup>1</sup>

This local law is—

- (a) in addition to and does not derogate from laws for pest management, regulation of fires and environmental protection; and
- (b) to be read with *Local Law No. 1 (Administration) 2011*.

## Part 2 Declared local pests

### Division 1 Application

#### 5 Application of part

- (1) This part does not apply to—
  - (a) an animal or plant that is a declared pest under the *Land Protection (Pest and Stock Route Management) Act 2002*<sup>2</sup> or the *Plant Protection Act 1989*<sup>3</sup>; or

<sup>1</sup> This local law and any subordinate local law made under it do not apply to the extent of any inconsistency with a law of the State or the Commonwealth. See the Act, section 27.

<sup>2</sup> See the *Land Protection (Pest and Stock Route Management) Act 2002*, sections 36 and 37, regarding the declaration of plants and animals as declared pests for the State or part of the State.

<sup>3</sup> See the *Plant Protection Act 1989*, section 4, regarding the declaration of pests that are harmful to the growth or quality of crop plants.

(b) noxious fisheries resources or diseased fisheries resources<sup>4</sup>.

(2) In this section—

*declared pest* see the *Land Protection (Pest and Stock Route Management) Act 2002*, section 8 and the *Plant Protection Act 1989*, section 4.

*diseased fisheries resources* see the *Fisheries Act 1994*, section 94.

*noxious fisheries resources* see the *Fisheries Act 1994*, schedule.

## Division 2 Declaration of local pests

### 6 Declaration of local pests

(1) The local government may, by subordinate local law, declare an animal or plant of a specified species to be a local pest.

(2) Before the local government makes a declaration under this section, it must consult with the chief executive about the desirability of the declaration.

(3) A declaration under this section—

(a) must be published in a newspaper circulating generally in the local government's area; and

(b) comes into force on the date of publication.

(4) In this section—

*chief executive* means the chief executive of the department in which the *Land Protection (Pest and Stock Route Management) Act 2002* is administered.

### 7 Emergency declarations

(1) This section applies if the local government is satisfied urgent action is needed to avoid or minimise an immediate risk of environmental harm posed by a plant or animal.

(2) The local government may, by resolution, declare an animal or plant of the relevant species to be a local pest.

(3) A declaration under this section—

(a) must be published in a newspaper circulating generally in the local government's area; and

(b) comes into force on the date of publication; and

(c) comes to an end three months after the date of publication.

(4) In this section—

*environmental harm* see *Environmental Protection Act 1994*, section 14.

<sup>4</sup> See the *Fisheries Act 1994*, section 94, regarding the declaration of diseased fisheries resources.

## 8 Application of declaration

A declaration may apply—

- (a) to the whole of the local government's area or in a specified part or parts of the area; and
- (b) generally or only in specified circumstances.

## Division 3 Control of local pests

### 9 Power to search for declared local pests

- (1) This section applies if an authorised person wants to enter a property to search for declared local pests.
- (2) After giving reasonable written notice to the owner and the occupier of the property, the authorised person may—
  - (a) enter the property without the permission of the occupier; and
  - (b) take reasonable action to search for declared local pests.
- (3) However, the authorised person—
  - (a) must, as soon as the authorised person enters the property, inform any occupier of the property—
    - (i) of the reason for entering the property; and
    - (ii) that the authorised person is authorised under this local law to enter the property, excluding a home on the property, without the permission of the occupier; and
  - (b) may enter a home that is on the property only with the permission of the occupier of the relevant part of the property.
- (4) If the occupier gives permission under subsection (3)(b), the authorised person may ask the occupier to sign a document that confirms that the occupier has given permission.

### 10 Pest control notices

### 11 Prohibition on sale

A person must not—

- (a) sell or supply a declared local pest; or

*Example of action that might be required under paragraph (b)—*

Erecting an appropriate structure (in accordance with requirements under the Planning Act) to screen unsightly objects or materials from public view.

- (3) However, the notice cannot prevent a use of land authorised under the Planning Act or the *Environmental Protection Act 1994*.
- (4) The local government may, by subordinate local law, prescribe requirements about objects or materials which are brought onto, or allowed to remain or accumulate on, an allotment.

## Part 4 Fires and fire hazards

<sup>11</sup> See the *Fire and Rescue Service Act 1990*, section 63, regarding fires authorised by notification, section 65 regarding fires authorised by permit and section 69, regarding notices requiring occupiers to take measures to reduce the risk of fire. For fires authorised by notification under section 63, see the Notification by the Commissioner of Fire and Rescue Service published in the gazette on 6 August 2004.

- (a) enter the property without the permission of the occupier; and

<sup>17</sup> Section 440O(3) provides that a local law that prescribes a noise standard replaces the nominated default noise standard in the *Environmental Protection Act 1994*, chapter 8, part 3B, division 3.

<sup>18</sup> See section 6(1).
