

Sorenson Crescent, Bargara

Kerb and Channel Renewal

Issue 1 – February 2021

Bundaberg Regional Council will be replacing the kerb and channel along Sorenson Crescent, Bargara as highlighted in yellow on the map to the right.

Work is planned to commence late February 2021 and will be undertaken weekdays, during the hours of 6.30 am and 5.00 pm. Weather permitting, work will be completed within two weeks.

During construction, the road will be subjected to traffic management measures and will have the appropriate signage to guide motorists through or around the site.

The Site Supervisor will liaise with directly affected residents to facilitate property access during construction.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the upgrade works, please contact Council's District Engineer, Tim Hurn, on 1300 883 699 or email the Civil Works Team at:

civilworks@bundaberg.qld.gov.au

During construction, please direct any site enquiries to the Site Supervisor as per the contact information.

Contact Information

Site Supervisor: Chris Twemlow – 0437 793 144
Email: civilworks@bundaberg.qld.gov.au
Project Ref: IRD3756.2020

The Sorenson Crescent, Bargara Kerb and Channel project is a joint initiative of Bundaberg Regional Council and the Queensland Government.
