

Stocks Road, Apple Tree Creek

Drainage Upgrades

Issue 3 – March 2021

Bundaberg Regional Council will be undertaking drainage upgrades along Stocks Road, Apple Tree Creek as highlighted in blue on the map to the right.

Work is planned to commence 17 February and will be undertaken weekdays, during the hours of 6.30 am and 5.00 pm. Weather permitting, the causeway will be upgraded to box culverts and the project completed within ten weeks.

During construction, this section of road will be closed from Monday 22 February and is expected to reopen Friday 30 April to all traffic. Appropriate detour signage will be installed to assist motorists with alternate routes.

The Site Supervisors will liaise with directly affected residents to facilitate property access during construction.

The Site Supervisors will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the upgrade works, please contact Council's District Engineer, Tony Wright, on 1300 883 699 or email the Civil Works Team at:

civilworks@bundaberg.qld.gov.au

During construction, please direct any site enquiries to the Site Supervisors as per the contact information.
