

Walker Street, Bundaberg West

SafeSt Program (Kerb Ramps)

Issue 1 – March 2021

Bundaberg Regional Council will be undertaking safety upgrades along Walker Street Bundaberg West, as highlighted in red on the map above.

Work is planned to commence mid-March 2021 and will be undertaken weekdays, during the hours of 6.00 am and 5.00 pm. Weather permitting, work will be completed within two weeks.

During construction, the road will be subject to traffic management measures and will have the appropriate signage to guide motorists through or around the site.

The Site Supervisor will liaise with directly affected residents to facilitate property access during construction.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the upgrade works please contact Council's District Engineer, Tim Hurn on 1300 883 699 or email the Civil Works Team at:

civilworks@bundaberg.qld.gov.au

During construction, please direct any site enquiries to the Site Supervisor as per the contact information.

Contact Information

Site Supervisor: Ray Zysk – 0447 021 271
E-mail: civilworks@bundaberg.qld.gov.au
Project Reference: IRD3371.2019

The Walker Street Safe Street Program (Kerb Ramps) Installation project is a joint initiative of Bundaberg Regional Council and the Queensland Government.
