

# Seagulls Park playground upgrade

## Elliott Heads

September 2021

### Playground renewal

As part of Bundaberg Regional Council's Parks Asset Renewal Program 2021 – 2022 we will be installing a new playground in Seagulls Park.

The upgrade has been identified to replace the existing playground, pictured here, which has reached the end of its useable life.

This project will ensure the park supports the recreation needs of the surrounding community and is in keeping with Council infrastructure standards.

The style and type of new play equipment will cater for 2 – 12 years.

### The project will involve

- Removal of the existing playground
- Construction of a new playground

### Next steps

December 2021	December 2021
Existing playground removed	New playground installed

### Feedback

Please contact Council if you require additional information about any aspects of the project.
