

Eric Boyd Park playground upgrade

January 2022

Playground renewal

As part of Bundaberg Regional Council's Parks Asset Renewal Program 2021 – 2022 we will be installing a new playground in Eric Boyd Park, Coral Cove.

The upgrade has been identified to replace the existing playground which has reached the end of its useable life.

This project will ensure the park supports the recreation needs of the surrounding community and is in keeping with Council infrastructure standards. The style and type of new play equipment will cater for 2 – 12 years.

Next steps
