

Life Savers Park playground upgrade

Elliott Heads

September 2021

Playground renewal

As part of Bundaberg Regional Council's Asset Renewal Program 2021 – 2022 we will be installing a new playground in Life Savers Park.

The upgrade has been identified to replace the existing playground, pictured here, which has reached the end of its useable life.

This project will ensure the park supports the recreation needs of the surrounding community and is in keeping with Council infrastructure standards.

The style and type of new play equipment will cater for 2 – 12 years.

The project will involve

- Removal of existing playground
- Construction of a new playground
- A new park sign

Next steps

November 2021	November/ December 2021
Existing playground removed	New playground installed prior to December school holidays weather permitting

Feedback

Please contact Council if you require further information about the project. You can stay up to date with this project on the Bundaberg Regional Council website at bundaberg.qld.gov.au/projects/projects-2/2
