

Water System Upgrade

Lakeview Drive to Hanbury Street Water Main Link – Bundaberg North

Issue 1– April 2022

What is happening?

An installation of a link between the water mains in Lakeview Drive and Hanbury Street Bundaberg North. With the following activities undertaken:

- Identification of property boundaries.
- Directional Drilling and excavation.
- Installation of pipework between the two mains.

As a guide the area of work is marked in yellow on the adjacent overhead photograph.

Why Upgrade?

- To improve the pressure and reliability of the water supply network in the area.

When

April and August 2022, Monday to Friday between the hours of 6.00 am and 5.00 pm.

Who is conducting the works?

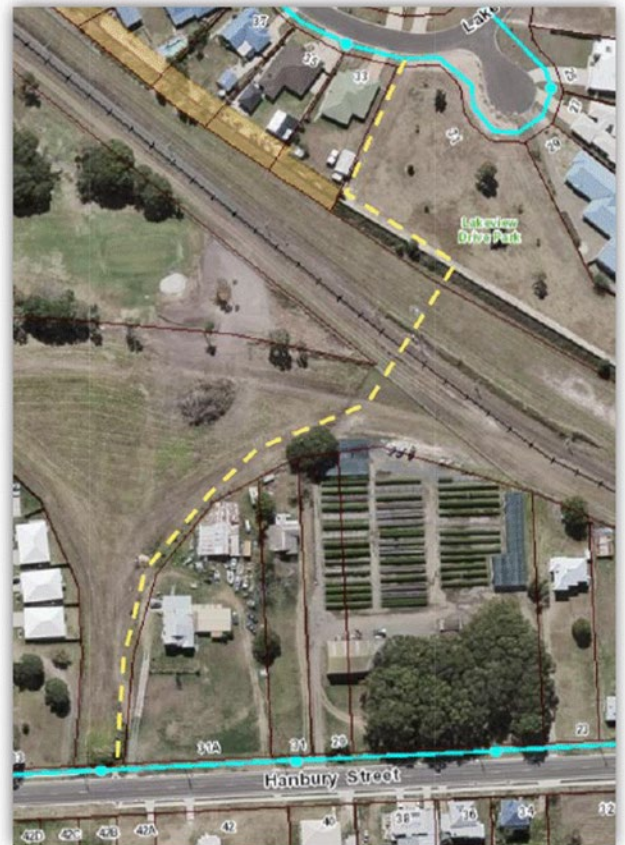

This work will be carried out by Council's Water Services team and external contractors.

Impact

The new infrastructure will need to be connected to the existing water network, leading to possible disruption of water services. Residents will be provided with prior notice, to minimize any inconvenience.

Cost

\$150,000
