

Asphalt Resurfacing Program 2021-2022

Issue 1 – May 2022

Bundaberg Regional Council has appointed Boral Resources (QLD) Pty Ltd as Principal Contractor to undertake Asphalt resurfacing works on various sites throughout the Bundaberg Regional Council area during the months of May/June 2022, weather permitting.

Due to the diverse nature of the sites, it is envisaged that the works will be carried out with a combination of either day shifts or night shifts for high traffic volume sites.

For day shift sites, activities are expected to be carried out between the hours of 6.00am and 6.00pm, Monday to Sunday.

For night shift sites, activities are expected to be carried out between the hours of 6:00 pm and 5:00 am Sunday to Saturday.

Affected residents will be notified of works prior to activities commencing via a letterbox drop.

Works will be undertaken using Traffic Control and some Road Closures, allowing access to Local Traffic Only. Access to private properties adjoining the work areas will be maintained during the construction period.

Residents can expect changes to traffic conditions during this time and minor delays may be experienced.

Boral Resources (QLD) will provide suitable arrangements to maintain waste collection services where these are provided, during the construction period.

Bundaberg Regional Council is aware of the inconvenience this work causes and thanks businesses, residents and road users in advance for their patience and co-operation.

If you have any concerns in relation to the works, please contact Council's Project Manager, Mr Adrian Curro on the number listed below.

If your query relates to residential access and site works, please contact Boral Resources (QLD) Works Supervisor, Mr Thomas Corr direct on the number listed below.
