

# Stencilling Works

## Issue 1 – June 2022

Bundaberg Regional Council has appointed Brick 'n' Pave to undertake stencilling works on various sites throughout the Bundaberg Regional Council area.

Activities will be carried out in following localities on various roads during June 2022, weather permitting:

- Bundaberg North
- Bargara

Activities are expected to be carried out between the hours of 6.00am and 5.00pm, Monday to Sunday weather permitting.

Works will be undertaken using Traffic Control and some Road Closures, allowing access to Local Traffic Only. Access to private properties adjoining the work areas will be maintained during the construction period.

Residents can expect changes to traffic conditions during this time and minor delays may be experienced.

Bundaberg Regional Council is aware of the inconvenience this work causes and thanks businesses, residents and road users in advance for their patience and co-operation.

If you have any concerns in relation to the works, please contact Council's Project Manager, Mr Adrian Curro on the number listed below.
