6	Power..less cooking	<p>If a big storm or a bushfire meant you had no electricity or gas to your house, what could you make for dinner and what would you cook it on? Your team are to pretend that you have no electricity or gas to your house. As a team:</p> <ol style="list-style-type: none"> 1. Decide what you will make for dinner for everyone 2. Make it or cook your meal, taking photos 3. All sit together sharing your meal, take a photo 4. With your photos, create a collage of you all making and enjoying your meal 	Photo	100	
7	Who is there to help me recover?	<p>After a disaster occurs you may need support and financial assistance to help you recover. The Queensland Government offers help with recovery not only through the Community Recovery Hotline on 1800 173 349, but also through their web page.</p> <p>Your team is to check out the webpage: qld.gov.au/community/disasters-emergencies/disasters</p> <ol style="list-style-type: none"> 1. Look at the Physical Health and Wellbeing information 2. Choose one of the topic areas listed 3. Do a short video (30 seconds) telling us what this topic area is about 	Video	100	
8	Pet...aster	<p>Do you have a pet, or know someone who does? In times of disaster, we need to plan for our pets. As a team</p> <ol style="list-style-type: none"> 1. Go to this link https://www.getready.qld.gov.au/pets 2. Watch the video Pet Emergency Plan 3. Answer these questions: Why is it important to contain your animals? What should you ensure is done to make sure your pet can be identified? If you have a horse, when is the best time to evacuate them? 	Text	100	
9	Pack your kit	<p>In your Get Ready GooseChase Kit is a list of things you should have in your household emergency/evacuation kit.</p> <p>Your team is to get everything you can together from the list and take a photo of you all (including your Get Ready Goose) with everything you found for your emergency kit</p>	Photo	100	
10	Safe as windy houses	<p>Your team hears on the radio, that a category 3 cyclone, is about to hit your community. Your team are to go to one team members home and</p> <ol style="list-style-type: none"> 1. Find the safest place in the home for when the cyclone hits 2. Get everything you can think of that your team would need of you were to be in this spot for 6 hours 3. Take a photo of you all together in this spot and with all the items you would need during this time 	Photo	100	
11	Wash, wash, wash your hands	<p>With hand sanitizer and hand washing being a big part of helping stop the spread of germs, your team is to:</p> <ol style="list-style-type: none"> 1. Using the hand washing chart in your race kit your team is to make an instructional video for little kids that shows them how to wash their hands in 30 seconds 	Video	100	
12	Get down low and go go go	<p>When there is a fire in your home, school or workplace and there is lots of smoke we are told to get down low and go go go to safety.</p> <p>All your team members, including your get ready goose, are to do a short video of you all getting down low and go go going to safety.</p>	Video	100	

Doesn't matter where you live missions

No	Mission name	Your mission	Type of mission	Mission points	Bonus points
13	Row row row your car.....?	You have seen and heard the ads (we hope) about the dangers of driving in flood waters and swollen creeks. We challenge your team to 1. Come up with a new slogan or rhyme that tells us why we should not drive in flood waters 2. Do a short video telling us or singing to us your new rhyme/slogan *BONUS points will be given to the top 3 selected by our judges	Video	100	1st - 100 2nd - 75 3rd - 50
14	Phone home....	Keeping in contact with family and friends during a disaster is vital. During a disaster mobile phone networks may be down or congested so what do you do? 1. A minimum of two team members are to find a public phone box in your community 2. Do a short instructional video on how to use the phone	Video	100	
15	We need more volunteers	More Volunteers of all ages are needed in our region. We are always looking for new ways to encourage more people to become volunteers. A minimum of 3 team members are to do a short promotional video (ad) that "sells" volunteering *BONUS points will be given to the top 3 video selected by our judges	Video	100	1st - 100 2nd - 75 3rd - 50
16	Lets bench it RUOK	A conversation can save a life and asking RU OK? can be asked any day not just on RUOK Day on 8 September. Your team are to: 1. Go to the RUOK bench in Bundaberg @ BRAG Park 2. Take a photo of your team all together having a tea party together and checking in on each other to make sure everyone is OK	Photo	100	
17	Read, read all about it	Using both your Gary the Bookmark and your Get Ready Goose a minimum of 2 team members are to go along to your Council library and: 1. Using Gary the bookmark in your race kit, approach a library staff member and ask them what the Get Ready Goose Chase secret codeword is for the day and write this on your bookmark (this word will be changed daily) 2. Take both the completed bookmark and your Get Ready Goose and take a photo of your team members together reading a book and showing the codework written on your bookmark.	Photo	200	
18	Warnings of bushfire	There are 3 levels in Bushfire warnings in QLD: ADVICE, WATCH & ACT, EMERGENCY WARNING, and it's up to us to know what we need to do at each of these levels. In 50 words or less, you are to write a rhyme or saying that could help people remember what each of these levels mean?	Text	100	
19	Ratings for bushfires Part 1A	Fire Danger Ratings are a first trigger for action. You may have seen the rating scale on signage beside our roadways across the country telling you what the fire rating is in that area for today. A minimum of 3 team members are to: 1. Find one of these fire rating signs 2. Take a photo of you all (and your get ready goose) with the rating scale sign	Photo	100	
20	Ratings for bushfires Part 1B	Fire Danger Ratings are a first trigger for action, and understanding what each level is will go along way to helping us know what is happening Your team is to do a short video that tell us what each of the levels in the Fire Danger Rating scale mean?	Video	100

21	1 million trees in my back yard Part 1A	Council has set a target of planting 1 million trees in our region by the end of 2024. One site that has been provided with native trees so far has been the Charlottes Wood Walking Path project at the entry to Bargara Headlands Estate. For this mission, a minimum of 2 team members are to: 1. Go to Charlottes Wood Walking Path and go to the large sign at the entry 2. On this sign, you will find the One Million Trees logo 3. Take a photo of your team members all pointing at the logo	Photo	100	
22	1 million trees in my back yard Part 1B	There are several ways your team can help Council reach the 1 million trees target. Check out the website: ourbundabergregion.com.au/million-trees-bundaberg-region and answer these questions: 1. How do you get a free tree for your home? 2. What is the total number of trees planted to date? *Extra Bonus points: if you can name 2 of the trees on the Resident Voucher Program Approved Species List your team will get a bonus 100 points.	Text	100	100
23	NAIDOC Get Up, Stand Up, Show Up	NAIDOC Week celebrates the history, culture and achievements of Aboriginal and Torres Strait Islander peoples. NAIDOC Week is celebrated by all Australians and is a great opportunity to learn more about Aboriginal and Torres Strait Islander cultures and communities. This year's promotional poster was designed by Ryhia Dank, a young Gudanji/Wakaja artist. 1. In your race kit, your team has been given copies of the NAIDOC Week colouring in poster. 2. All team members are to colour in their own poster and 3. You are to then set up your own display of all the posters together and share a photo of your display with us.	Text	100	
24	Who you going to listen to... Part 1	We all know staying updated before, during and after a disaster event is vital. One of the most reliable places to get up to date and trusted information is from ABC Radio. You can listen to ABC Wide Bay on 100.1fm or via the ABC Listen App. 1. A minimum of 3 team members are to go to the ABC WideBay radio station in Woongarra Street 2. Find Gary the Get Ready Goose interviewing his new friends in the window 3. Take a photo of your team members with Gary and his new friends	Photo	100	
25	Who you going to listen to... Part 2	On the ABC Emergency website there is a range of information to help you plan for an emergency. Can you tell us the title of 5 stories that are on this website to help you plan for an emergency: abc.net.au/emergency/	Text	100	
26	Slip slop slap seek and hide	We all know sun safety is important. For this mission 1. Your team is to watch this YouTube clip: youtube.com/watch?v=YGROFs5tFNA Then a minimum of three team members are to: 2. Go to the Cancer Council office in Woongarra Street, find the Get Ready Goose in the window 3. Take a video of your team members re-enacting the video with the Get Ready Goose – you can use props if you like	Video	100

27	Creating a cancer free future	Can you tell us 3 ways you and your team could get involved in helping the Cancer Council? Check out their website to find the answer: cancer.org.au	Text	100	
28	The right Headspace Part 1	<p>Headspace offers a range of services, supports and opportunities to young people 12-25years of age but also for family and friends.</p> <p>A minimum of 3 team members are to</p> <ol style="list-style-type: none"> 1. Dress up in green (the headspace colour of choice) 2. Go along to the Headspace office in Bundaberg, 3. Go inside and find Gary the Get Ready Goose in the foyer 4. Take a photo of your team members (and your goose) meeting Gary the Get Ready Goose. 	Photo	100	
29	The right Headspace Part 2	<p>On the headspace Bundaberg website, you will find a range of information about what their service can offer and do.</p> <ol style="list-style-type: none"> 1. Can your team tell us 5 things you found out on this webpage? 	Text	100	
30	Who's that in the orange? (Qld Fire and Emergency Services)	<p>Our mates in orange do so much for our community and not just in times of disaster.</p> <p>A minimum of 3 team members are to</p> <ol style="list-style-type: none"> 1. Go to the Bundaberg SES sheds, 2. Find Gary the Get Ready goose 3. Take a photo of you all together with Gary the Get Ready Goose. 	Photo	100	
31	How can we wear the orange? (Qld Fire and Emergency Services)	<p>State Emergency Service Volunteers are our mates in orange who are always looking for extra people to help. The SES can offer a great range of training and education opportunities to volunteers.</p> <ol style="list-style-type: none"> 1. As a team, you are to find out how you can become an SES Volunteer and what training and education opportunities SES volunteers can expect to develop over time. <p>When you have all this information, your team is to:</p> <ol style="list-style-type: none"> 1. Make a short video (30seconds) that tells us how you can become a volunteer and what training and education opportunities there are with the SES. 	Video	100	
32	Shopping for water Part 1	<p>In the January 2013 flooding event, Hinkler Central was badly damaged by flood waters, which resulted in many parts of the centre being closed for approximately 4 months. A grand reopening did occur on 3 July 2013. As a reminder of the event, there were 7 signs placed in separate locations in the shopping centre which shows the height that the water got to.</p> <p>Mission:</p> <ol style="list-style-type: none"> 1. A minimum of 3 team members are to find at least one of these flood level signs 2. Take a photo of all three members and your Get Ready Goose with the sign. 	Photo	100	
33	Shopping for water Part 2	Can you tell us, when you prepare your emergency kit, how much clean drinking water should you have for each person for each day? And what other things do you think you may need water for during a disaster.?	Text	100	

Doesn't matter where you live missions

No	Mission name	Your mission	Type of mission	Mission points	Bonus points
34	Come fly with me.....	Bert Hinkler was an early entrepreneur and adventurer. He designed and built his own plane and was the first person to fly solo from England to Australia. Your mission: 1. All team members are to make their own paper plane 2. Your team is to go to the statue of Bert Hinkler located near the Burnett Traffic Bridge (the old bridge) 3. Video you are all throwing your planes, to show us who's plane goes the furthest	Video	100	
35	Remembering our ANZACs	We have so many great spots to have fun and play along our coastal strip, but we also have a few special sites from Elliot heads to Moore Park Beach that let us remember those lost to war on Anzac Day. A minimum of three team members (can be different members each site) are to: 1. Go to at least 3 of these ANZAC Day sites take a photo of themselves there remembering those lost 2. Then create a collage of these photos.	Photo	100	
36	Helping keep animals warm and happy Part 1	RSPCA works to influence animal welfare policy, practice and legislation across Australia while also caring for animals. To help them care for animals and stop animal cruelty, it takes volunteers and money. In Bundaberg we not only have the RSPCA Animal Shelter, but we also have the RSPCA Op-Shop. 1. A minimum of 3 team members are to go along the RSPCA Op-shop in Bundaberg 2. Take a photo of you all the Gary the Get Ready Goose in their front window	Photo	100	
37	Helping keep animals warm and happy Part 2	While at the RSPCA Op-Shop, if a minimum of 3 team members each purchase one item and provide a photo of the 3 receipts together you will get the bonus points *Bonus points			100
38	Salt or Fresh we can step across it	Baldwin Swamp Environmental Park is one place that people of all ages can enjoy. Walking, bike riding, reading or playing in the park. It also includes a spot where the salt water of the river meets the fresh water. There are some steppingstones here so you can walk across safely and see the mangroves. A minimum of 3 team members are to 1. Find the steppingstones in Baldwin Swamp Environmental Park 2. Take a short video of you all jumping across the stones to the other side	Photo	100	
39	It's a Botanic World	Botanic Gardens are a great spot no matter what age you are to wonder about. From the Rainforest Walk and Japanese Gardens to the playground, lagoons and Train. A minimum of 3 team members are to go along to the Bundaberg Botanic Gardens: 1. Find the 5 special Gary the Get Ready Geese that are hidden 2. Take a photo of you all with Gary at each location 3. Create a collage of all the Gary's you find *Bonus points if you find all 5 Gary's	Photo	100	100
40	Can water run up hill?	The Burnett River Catchment is where all the water comes from, that flows out the mouth of the Burnett River in Bundaberg and is one of the largest in QLD. Your team is to 1. Watch this video about the Burnett River Catchment: https://youtu.be/sCqtSfPfqKE 2. Using the map in your racekit your team are to mark 3 towns that are a part of the Burnett River Catchment 3. Do a photo of all your team (and your Get Ready Goose) going over the map.	Photo	100
