

Gin Gin Primary School – Milden & May Streets

New Concrete Footpath Installation

Issue 1 – December 2022

Bundaberg Regional Council will be constructing a new concrete pathway at the corner of Milden Street and May Street, Gin Gin as highlighted in yellow on the map to the right.

Work is planned to commence early January 2023 and will be undertaken weekdays, during the hours of 6:00 am and 5:00 pm. Weather permitting, work will be completed within eight weeks.

During construction, sections of the roads will be subject to traffic management measures and will have the appropriate signage to guide motorists.

The Site Supervisor will liaise with directly affected residents to facilitate property access during construction.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the upgrade works, please contact Council's District Engineer, Tony Wright, on 1300 883 699 or email the Civil Works team at:

civilworks@bundaberg.qld.gov.au

During construction, please direct any site enquiries to the Site Supervisor as per the contact information.
