

# Sewer System Upgrade

## Elliott Heads Road Sewerage Pump Station – Avenell Heights

Issue 1– January 2023

### What is happening?

An upgrade of the control switchboard at Elliott Heads Road sewerage pumping station in Avenell Heights, which includes:

- Traffic control and construction fencing.
- Installation of a new power supply conduit.
- Swap over of the old to new switchboard.
- Repair of retaining wall and access hatches.

The area of work is marked in yellow on the adjacent overhead photograph.

### Why Upgrade?

- Ensure that Council's installations conform to the current electrical standards.
- Latest control and monitoring systems are utilised at the station.

### When

February to June 2023, Monday to Friday between the hours of 7am and 4pm.

### Who is conducting the works?

This work will be carried out by Council's Water Services team and external contractors.

### Impact

The sewer system of the area is not expected to be affected by these works.

### Cost

\$120,000

### Contact Information

Project Manager: Brett Heidrich – 0428 723 090

Bundaberg Regional Council acknowledges that construction work can cause disruption, so we thank residents for their patience and co-operation while we upgrade Water Services infrastructure in this area. Should you have any concerns or queries, please call Council's Project Manager, Brett Heidrich.
