

Road Rehabilitation Program 2022-23

Road Reconstruction and Rehabilitation Works

Issue 2 – January 2023

Bundaberg Regional Council has appointed Berajondo Earthmoving and Haulage as Principal Contractor to undertake road reconstruction and rehabilitation works on various sites throughout the Bundaberg Regional Council area.

As part of these works, construction activities will be carried out on sections of the following roads during January and February, weather permitting:

- Clayton Road
- Innes Park Road
- Poinciana Drive
- Riverview Road
- Seaview Road
- Red Hill Farms Road
- Skyring Reserve Road
- Waterloo Hall Road

Road construction activities are expected to be carried out between the hours of 6.00am and 6.00pm, Monday to Saturday.

Works will be undertaken using Traffic Control and some Road Closures, allowing access to Local Traffic Only during construction. Access to private properties adjoining the work areas will be maintained during the construction period.

Residents can expect changes to traffic conditions during this time and minor delays may be experienced.

Berajondo will provide suitable arrangements to maintain waste collection services where these are provided, during the construction period.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks businesses, residents and road users in advance for their patience and co-operation.

If you have any concerns in relation to the works, please contact Council's Project Manager, Mr Adrian Curro on the number listed below.

If your query relates to residential access and site works, please contact Berajondo Earthmoving and Haulage Project Manager, Mr Sal Bonanno direct on the number listed below.
