

Hummock Road, Woongarra

Road Widening and Sealing

Issue 1 – February 2023

Bundaberg Regional Council will be completing road widening and sealing works on Hummock Road, Woongarra as highlighted in yellow on the map to the right.

Work is planned to commence late February 2023 and will be undertaken weekdays, during the hours of 6:00 am and 5:00 pm. Weather permitting, work will be completed within 13 weeks.

During construction, the road will be closed and subject to traffic management measures, appropriate signage and traffic detours will be in place to guide motorists.

The Site Supervisor will liaise with directly affected residents to facilitate property access during construction.

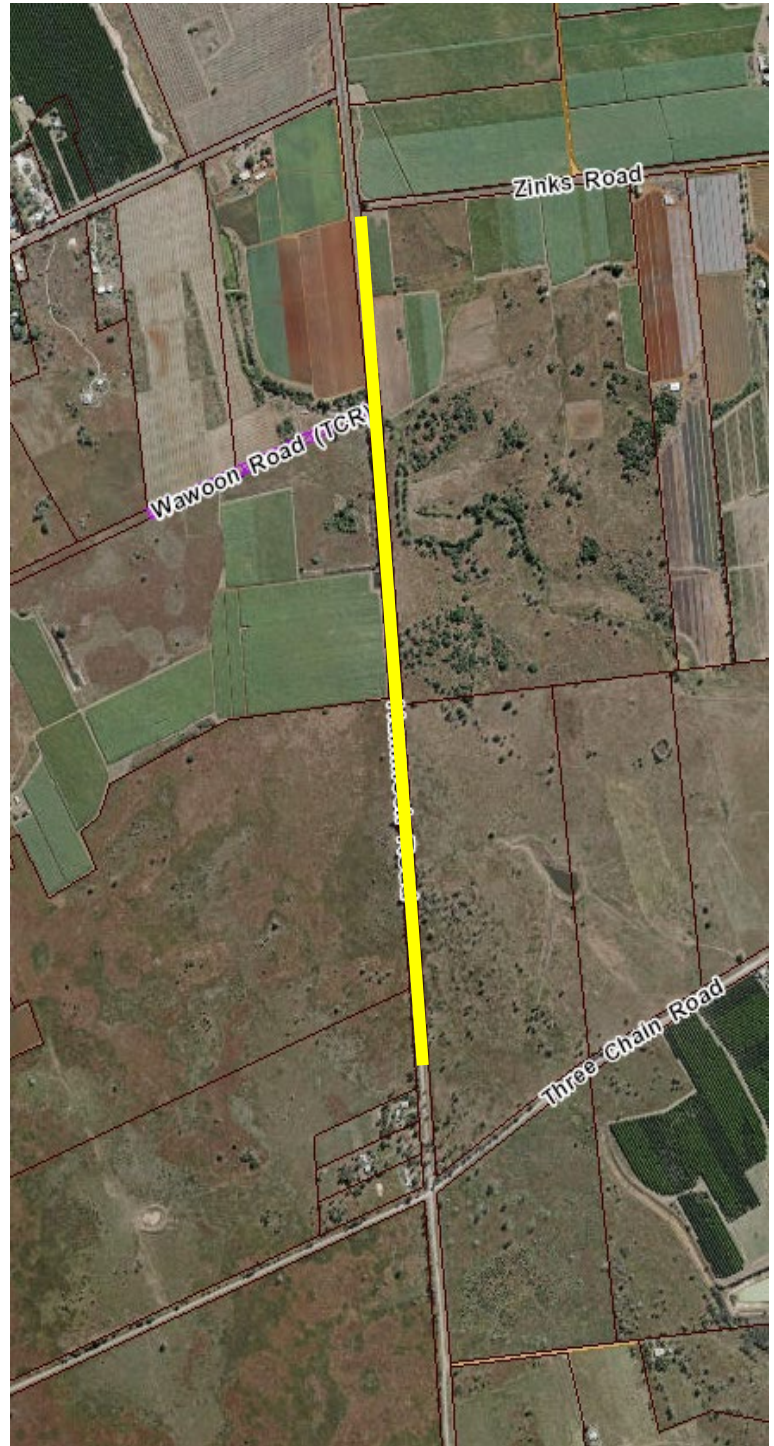

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the upgrade works, please contact Council's District Engineer, Tim Hurn, on 1300 883 699 or email the Civil Works team at:
