

Avoca / Hope / Grimwood Streets Bundaberg West

Intersection Upgrade

Issue 1 – March 2023

Bundaberg Regional Council will be undertaking upgrade works at the intersection of Avoca, Hope and Grimwood Streets, Bundaberg West as highlighted in yellow on the map to the right.

Work is planned to commence mid March 2023 and will be undertaken on weekdays, during the hours of 6:00 am and 5:00 pm. Weather permitting, work will be completed within four weeks of commencement.

During the upgrade works, sections of the streets will be subject to traffic management measures and will have the appropriate signage to guide motorists.

The Site Supervisor will liaise with directly affected property owners to facilitate property access during construction.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where the upgrade works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience the upgrade works may cause and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the upgrade works, please contact Council's District Engineer, Tim Hurn, on 1300 883 699 or email the Civil Works team at:

civilworks@bundaberg.qld.gov.au

During construction, please direct any site enquiries to the Site Supervisor as per the contact information.
