

Sewer System Installation

Milton Street Sewerage Pump Station – Burnett Heads

Issue 1– May 2023

What is happening?

An installation of a new sewerage pumping station at Milton Street in Burnett Heads, which includes:

- Identification of property boundaries.
- Installation of new power supply infrastructure.
- Installation of pump well and associated infrastructure.
- Installation of new rising main pipework.
- Road and drainage alterations at the stations site.

The worksite for the pump station is marked in yellow on the adjacent overhead photograph.

When

May to September 2023, Monday to Friday between the hours of 7am and 4pm.

Who is conducting the works?

This work will be carried out by Council's Water Services team and external contractors.

Impact

The sewer system of the area is not expected to be affected by these works. Due to excavation and construction that will be undertaken, there will be an increase in large machinery accessing the residential area and operating at the site.

Cost

\$610,000

Contact Information

Project Manager: Brett Heidrich – 0428 723 090

Bundaberg Regional Council acknowledges that construction work can cause disruption, so we thank residents for their patience and co-operation while we upgrade Water Services infrastructure in this area. Should you have any concerns or queries, please call Council's Project Manager, Brett Heidrich.
