

# Birthing Road, South Kolan

## Road Widening

### Issue 2 – March 2024

Bundaberg Regional Council is currently delivering road widening works on Birthing Road, South Kolan as highlighted in yellow on the map to the right.

Due to circumstances beyond Council's control such as wet weather, completion of this project has been delayed.

Work will continue to be delivered mostly weekdays, during the hours of 6 am and 5 pm. Weather permitting, work will be completed by late June 2024.

Sections of the road will continue to be subject to traffic management measures and will have the appropriate signage to guide motorists.

The Site Supervisor will liaise with directly affected residents to facilitate property access during construction.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where construction works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the upgrade works, please contact Council's Engineer on 1300 883 699 or email the Civil Works team at:
