

Road Rehabilitation Program 2023-2024

Road Reconstruction and Rehabilitation Works

Windermere Road, Qunaba

Issue 12 – September 2024

Bundaberg Regional Council has appointed Berajondo Earthmoving and Haulage as Principal Contractor to undertake road reconstruction and rehabilitation works on various sites throughout the Bundaberg Regional Council area.

As part of these works, construction activities will be carried out on two sections of Windermere Road. Refer to the site maps overleaf for further information regarding road closure locations and detour information.

Works will commence and **road closures and detours will be in place from Monday 16 September 2024 to Thursday 26 September 2024, weather permitting.** The construction activities and closures are expected to be carried out between the hours of 6.00am and 6.00pm, Monday to Friday, with works on Saturday if required.

Residents can expect changes to traffic conditions during this time and minor delays may be experienced.

Berajondo will provide suitable arrangements to maintain waste collection services where these are provided, during the construction period.

Bundaberg Regional Council is aware of the inconvenience construction work causes and thanks businesses, residents and road users in advance for their patience and co-operation. We apologise for the delay with these works commencing from the previous newsletters issued.

If you have any concerns in relation to the works, please contact Council's Project Manager, Mr Thomas Corr on details listed below.

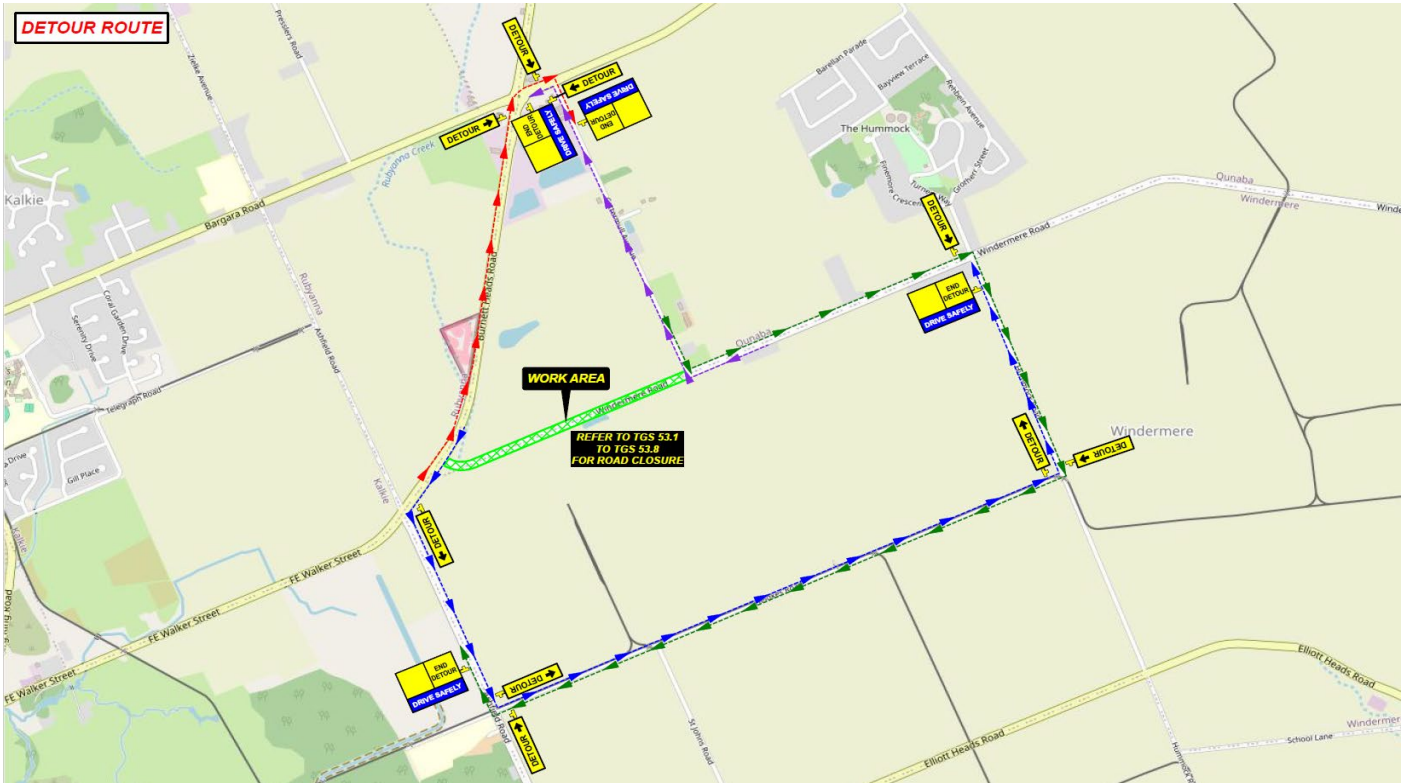

If your query relates to residential access and site works, please contact Berajondo Earthmoving and Haulage Project Manager, Mr Sal Bonanno direct on the number listed below.
