CREATE MEMORIES

The Bundaberg Region has a wealth of unforgettable experiences to add value to your extended stay.

It is a vibrant, quintessential Queensland country town with modern city elements offering relaxed café dining and five-star gourmet restaurant experiences, through to sipping your way through world famous distilleries and exploring unique farm gates.

Enjoy a stroll along the Burnett River, visit the stunning reef or lose yourself in the lush botanical gardens and our architecturally beautiful CBD.

MONCRIEFF ENTERTAINMENT CENTRE

Bundaberg has been a true wellspring of creative performing arts talent over the years. As well as being the birthplace of Our Glad, Gladys Moncrieff, Bundaberg is famous for Donald Smith, Molly de Gunst and Suellen Casack-Greensill, who have all had sterling operatic careers. A number of professional singers, dancers, musicians and other artists have had their start in Bundy and for many performing artists, the Moncrieff stage has been their first ever gig.

Bundaberg's historic theatre in the CBD has undergone a major makeover and we're ready to welcome guests to make your occasion one to

remember. Our auditorium seats 797 patrons and the entire front row is removable to allow accessibility for all. There is a 'cry room' in the rear corner of the auditorium which is available for use during a performance should patrons need to calm babies or young children, but without missing the show.

Whether you're after a private, traditional high tea for a small group on our stage, a backstage tour or corporate event with a difference, we offer personalised catering and state-of-the-art theatre facilities to showcase your business to your clients and suppliers.
