

Asphalt Resurfacing Program 2026 - 2027

Issue 1 – September 2026

Bundaberg Regional Council has appointed Boral Resources (QLD) Pty Limited as the Principal Contractor to undertake Asphalt resurfacing works on various locations throughout the Bundaberg Regional Council area.

When will the works happen?

Please be advised that Boral will be undertaking Asphalt resurfacing activities at locations listed on the following page.

Works are currently programmed from:

Wednesday 16th September to Mid-November.
(Weather permitting.)

Why are the works taking place?

Council carries out asphalt resurfacing to improve road surface and extend lifespan of the road asset. This programmed works helps to reduce future road maintenance and ensure the road remains safe and serviceable.

Working hours & Traffic Management

Day works: 6:30am to 6:00pm, Monday to Friday, with Saturday working as required between 6:30am to 4:00pm

Night works: 6:00pm to 6:00am, Monday to Friday, selected sites only

Traffic and access

Works will be undertaken under full road closures, and traffic control Stop / Slow setups.

Please be aware that traffic conditions will change, and some delays may occur during this time.

Local access will be maintained, and residents will still be able to access their properties throughout the works.

Waste collection

Waste collection (if applicable) will continue during the construction period.

Council understands that construction works can be inconvenient and thanks the community for their patience and understanding while these important improvements are carried out.

Need more information?
