

Burnett River Bridge Rehabilitation – McLennan Drive

Issue 2 – April 2026

Highlighted area is indicative only

Bundaberg Regional Council has appointed SRG Global Pty Ltd as Principal Contractor to undertake rehabilitation works to maintain the Burnett River Bridge on McLennan Drive, Wallaville. The works will be undertaken as highlighted in red on the map above.

When will the works happen?

- Rehabilitation works are planned to commence on Thursday 9 April 2026 with completion expected by 29 May 2026, weather permitting.

Traffic Management

- Traffic control measures will be utilised during the works **with a full closure of the bridge for the duration of the project.**
- Detour signage will be in place directing traffic to the Bruce Highway. Refer to the detour plan located overleaf.

Council understands that construction works can cause temporary inconvenience and sincerely thanks the community for their patience and cooperation while these important infrastructure improvements are carried out to enhance safety and road conditions for all users.

Need more information?

- For project enquiries please contact Council's Project Manager, Thomas Corr using the contact details below.
- If your query relates to site works, please contact SRG Global Pty Ltd on the details listed below.
