

# Asphalt Resurfacing Program 2025-2026

## Burnett Street

### Notice to Residents

Bundaberg Regional Council has appointed Boral Resources (QLD) Pty Ltd as Principal Contractor to undertake Asphalt resurfacing works on Burnett Street as part of the Asphalt Resurfacing Program 2025-2026.

### When will the works happen?

- Asphalt works commencing Monday 18th May 2026 with expected completion by Friday 29th May 2026, weather permitting.

### Staging of the Works

- **Stage 1** – Maryborough St to Barolin St
- **Stage 2** – Barolin St to Targo St
- **Stage 3** – Targo St to Water St
- **Stage 4** – Water St to Hunter St
- **Stage 5** – Hunter St to Pitt St
- **Stage 6** – Pitt St to Boundary St

### Working Hours & Traffic Management

- **Day works:** 6:30am to 6:00pm, Monday to Friday

### Traffic and Access

Works will be undertaken using Traffic Control and Road Closures, allowing access to Local Traffic Only.

Access to private properties adjoining the work areas will be maintained during the construction period.

Residents can expect changes to traffic conditions during this time and delays may be experienced.

Residents living within the works areas are advised to speak to one of the Traffic Controllers positioned

at the Road Closures / Traffic Control Points, who will help guide you through the works areas to and from your property.

### Waste Collection

Arrangements have been made by Council to ensure waste collection services continue during the construction period. Residents are encouraged to put their bins out the night before with bin collection scheduled from 6am on Burnett Street.

### Need more information?

For questions about property access or on-site works, please contact Boral Resources (QLD) Project Manager, Scott Tucker direct on the number listed below

For general project enquiries, please contact Council's Project Manager, Mr Thomas Corr, using the number listed.

Council understands that construction works can be inconvenient and thanks the community for their patience and understanding while these important improvements are carried out.
