

# Stormwater Underground Asset Relining Program 2025/2026

## Issue 1 – April 2026

Bundaberg Regional Council has appointed Rangedale QLD Pty Ltd as Principal Contractor to undertake underground stormwater relining works throughout the Bundaberg region.

### When will the works happen?

Initial stormwater asset inspection works are planned to commence 20 April 2026. The relining operations will then commence in mid-June 2026.

### Where will the works occur?

Mulgrave Street	Gin Gin
Takalvan Street	Kensington
Childers Road	Kensington
Burnett Heads Road	Burnett Heads
Bourbong Street	Bundaberg CBD
Tantitha Street	Bundaberg CBD
Woongarra Street	Bundaberg CBD

### Why are the works taking place?

These works are required to renew existing stormwater pipes that have been identified for renewal. The modern relining techniques used will extend the stormwater networks life and ensure efficient drainage system operation for the future.

### Working hours

**Day works:** 7:00 am to 5:00 pm, Monday to Saturday.  
**Night works (planned for CBD):** 7:00 pm to 6:00 am, Thursday 23 April 2026.

Residents directly affected by the works will receive a letterbox notice at least 24 hours before day and night works begin.

### Traffic management and access

Traffic control measures will be in place during the works. Please be aware that traffic conditions will change

and some delays may occur during this time. Local access will be maintained throughout the works.

Temporary road closures may be in place during night works in the Bundaberg CBD.

### Waste collection

Arrangements will be made by Rangedale QLD Pty Ltd to ensure waste collection services continue during the construction period.

Council understands that construction works can be inconvenient and thanks the community for their patience and understanding while these important improvements are carried out.

### Need more information?

For general project enquiries, please contact Council's Project Manager, Mr Brett Heidrich, using the details listed below.

For questions about property access or on-site works, please contact Rangedale's Project Manager, Mr Jeremy Francisco, using the details listed below.
