

Bitumen Resurfacing Program 2025 - 2026

Notice to Residents

Issue 1 – March 2026

Bundaberg Regional Council has appointed RPQ Spray Seal Pty Ltd as Principal Contractor to undertake Bitumen resurfacing works on various locations throughout the Bundaberg Regional Council area.

When will the works happen?

Please be advised that RPQ Spray Seal will be undertaking Spray Sealing activities in your local area during the following dates, with RPQ anticipated to be onsite for 1 – 2 days in each location weather permitting:

➤ **Wednesday 18/03/26 to Saturday 21/03/26**

Why are the works taking place?

Council carries out bitumen reseals to protect roads from water damage and extend their lifespan. The reseal seals small cracks, restores skid resistance, and slows aging caused by traffic and weather. This preventative maintenance helps keep them safe and serviceable for longer.

Working hours & Traffic Management

Day works: 6:30am to 6:00pm, Monday to Friday, with Saturday working as required between 6:30am to 4:00pm

Traffic and access

Works will be undertaken under Traffic Control Stop / Slow setups.

Please be aware that traffic conditions will change, and some delays may occur during this time.

Local access will be maintained, and residents will still be able to access their properties throughout the works.

Waste collection

Waste collection (if applicable) will continue during the construction period.

Council understands that construction works can be inconvenient and thanks the community for their patience and understanding while these important improvements are carried out.

Need more information?

For general project enquiries, please contact Council's Project Manager, Mr Thomas Corr, using the number listed below.

For questions about property access or on-site works, please contact RPQ Spray Seal Project Manager, Mr Alex Nichol, using the numbers listed below.
