

Washpool Creek Naturalisation – Stage 3A

Issue 1 – August 2026

Highlighted area is indicative only.

Bundaberg Regional Council has appointed Evolve Environmental as Principal Contractor to undertake naturalisation works of Washpool Creek. These works are the next stage of the Washpool Creek Naturalisation Project and will be undertaken at the location highlighted in blue on the map above.

Work is planned to commence late August / early September 2026 with completion expected in June 2027, weather permitting.

Work is expected to be carried out Monday to Friday between the hours of 6:30 am to 6:00 pm with works on a Saturday if required.

Traffic control and temporary road closures may be in place during construction. Please be aware that traffic conditions may change and delays may occur during this time.

Temporary restrictions on pathways access within the work zones will be required for certain sections of the works.

Bundaberg Regional Council is aware of the inconvenience this work causes and thanks businesses and residents in advance for their patience and co-operation.

For all queries relating to the site works, please contact Evolve Environmental direct on the number listed below.

If you have any concerns in relation to this notice, please contact Council on the details listed below.
