

Birthamba Road, Bucca

Culvert Replacement

Issue 1 – April 2026

Bundaberg Regional Council will be undertaking a Culvert Replacement on Birthamba Road, Bucca as highlighted in yellow on the map above.

Work is planned to commence 5 May 2026 and will be undertaken weekdays as daytime works. Weather permitting, work will be completed within approximately three weeks.

During the work, the road will be subject to traffic management measures including traffic control. Appropriate signage will be in place to guide road users.

The Site Supervisor will liaise directly with affected residents to facilitate property access during road works.

The Site Supervisor will also discuss where to place your wheelie bin prior to the day of collection where these works conflict with your refuse collection.

Bundaberg Regional Council is aware of the inconvenience road work causes and thanks residents and road users in advance for their patience and co-operation.

If you have concerns in relation to the works, contact Council's Civil Works Engineer, on 1300 883 699 or email the Civil team at: civilworks@bundaberg.qld.gov.au

During construction, please direct any site enquiries to the Site Supervisor as per the contact information provided below.
