

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure charges notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure charges notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure charges notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure changes notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure charges notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**  
 If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure charges notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure charges notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**  
 If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure charges notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

## Infrastructure charges register

Reporting of levied infrastructure charges associated with development approvals  
 Bundaberg Regional Council  
 Infrastructure charges register: 11/6/2006 to 12/03/2025

### Note:

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**  
 If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure changes notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure charges notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure charges notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure charges notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure changes notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)

**Infrastructure charges register**

**Reporting of levied infrastructure charges associated with development approvals**  
**Bundaberg Regional Council**  
**Infrastructure charges register: 11/6/2006 to 12/03/2025**

**Note:**

If levied charge is subject to an automatic increase provision: all charges are subject to an automatic increase provision  
 Day development approval will lapse: Refer to the Development Approval for all applications  
 How the automatic increase provision was calculated (if applicable): See charges notice for all applications.  
 How the infrastructure charge was calculated: See charges notice for all applications.

Development approval reference number	DA Description	DA Type	Development approval date	Real property description (of development approval)	Suburb or locality	Infrastructure charges notice reference number	The day the infrastructure changes notice was given	Infrastructure agreement reference number (if applicable)	Infrastructure agreement execution date (if applicable)	Charges resolution (the charge was levied under)	Infrastructure charge levied	If infrastructure to be provided instead of paying the levied infrastructure charge, the Infrastructure details	Offsets applicable (details)	Refunds applicable (details)	Infrastructure charge paid	Date paid	Amount unpaid (if due and not paid in full)
