

Wendlands Gully Bridge, Avondale

Bridge Refurbishment Work

Issue 2 – July 2026

Bundaberg Regional Council are undertaking Refurbishment Work on Wendlands Gully Bridge located on Smith Crossing Road, Avondale - highlighted in red on the map above.

Work commenced in May 2026 and is being carried out on weekdays as day works. Delays were experienced due to contractor availability; however, weather permitting, the works are expected to be completed by 4 August 2026.

During ongoing works, the bridge will be closed to all traffic and will be subject to traffic management measures. A detour is in place as highlighted in blue on the map above. The detour will continue to be maintained continually throughout the project. Appropriate signage is in place to guide road users.

The Site Supervisor will continue to liaise directly with affected residents to facilitate property access during road works.

Bundaberg Regional Council is aware of the inconvenience roadworks can cause and thanks residents and road users for their patience and co-operation. Council appreciates the community's understanding regarding delays experienced during the delivery of these works.

If you have concerns in relation to the works, contact Council's Senior Engineer, Tony Wright, on 1300 883 699 or email the Civil team at: civilworks@bundaberg.qld.gov.au

During construction, please direct any site enquiries to the Site Supervisor as per the contact information provided below.
